

## IMPORTANT INFORMATION FOR PARENTS AND 2011 SENIORS!

### DON'T BE LEFT OUT OF YOUR YEARBOOK!!!

You finally made it to your senior year and one of the most important things you have to do this summer is to have your Senior Portraits taken. We, at Morgans' Fine Art Photography, are happy to be your contract photographer.

*You have two options to choose from in having your pictures taken this summer and they are as follows:*

**Option #1** – Make your senior year an “experience” by coming to our new studio at 5226 Bardstown Road for your senior pictures. The sessions we offer are for the student who is interested in showing the “true you”! Morgans' new digital capture and new style of photography allows us to give you the cutting edge variety that you want. Your portraits will be taken both indoors and outdoors in our Portrait Park which includes an authentic barn, a gazebo, a white sand beach complete with dunes and a boardwalk, our new multi-level waterfall and many more beautiful settings. We offer different types of sessions, Black & White Contemporary Head Shots, and our BRAND NEW “White on White” shots, all to let your personality shine through...It's All About YOU!!!

Be sure to check out our web site [www.morgansphotography.com](http://www.morgansphotography.com) to get some great ideas for your senior session and check out our current specials.

The pricing structure for your photographs from one of our studios is much different than those head and shoulder photographs we take at the school. All of the portraits purchased from sessions taken at our studio are custom analyzed, custom printed with state of the art retouching. We offer many packages to fit everyone's budget and needs. Please call 495-1500 to make your appointment for the studio session of your choice.

**Option #2** – If you are interested in **ONLY head & shoulder pictures in the drape or the tux**, Morgans' will at P.R.P. on senior registration day, August 6<sup>th</sup>, between 8:00 a.m. and 12:00 noon to photograph you. We will be set up in the New Seminar Room on the second floor in the Tech Bldg. The drape and Tux will be supplied at the school. **If you are interested in purchasing photographs, as well as the yearbook photo, please bring a \$20.00 deposit to school with you that day. If you will be sending a check, please make it out to “Morgans' Photography” and be sure to include your daytime phone number, driver's license number and correct address.** We will then mail the proofs to you for you to make your selections. The price structure for these packages is considerably less than those taken at our studio and is similar to the underclass picture pricing you have had in the past years. If you are **ONLY** interested in the yearbook photo, you **do not** need to bring the \$20.00 deposit with you in order to be photographed. In that case, we will **not** mail the proofs to you and we will select the best pose for your yearbook photo and deliver it to P.R.P. on or before the deadline date.

**P.R.P.'s yearbook deadline is extremely early this year, so it is imperative that you call and make your appointment as soon as possible, if you are coming to one of our studios for your senior session.** The closer it gets to school starting, the less appointment times we have available,

**Don't delay... Call 495-1500 NOW for your appointment.**

If you have any questions, we will be happy to answer any questions you may have at 495-1500. Thank you very much and we look forward to being a part in making your Senior Year a fun and memorable one!

Sonja Morgan Pabon
