

Senior Newsletter

January, 2012

Tonya Wilson, Senior Counselor

Seniors,

Due to our early release last week, The FAFSA Workshop has been rescheduled for January 25th at 7:00pm at PRP. Please bring your questions for our speaker. Many parents have asked questions about the graduation date. We will **not** have an exact date until March. After the threat of snow is passed, JCPS will set graduation dates.

BIG NEWS!!! According to the JCPS Student Progression Promotion and Grading booklet, seniors must pass a senior math class. Algebra 1, Geometry and Algebra 2 will continue to be requirements AND the successful completion of a grade-twelve math credit. Please keep this in mind as you work in your senior math class.

ACT DATES: Feb 11, April 14, June 9

Important Information:

- ❖ **Transcripts** can be requested from Mrs. Hockman. The first transcript is free. The cost of transcripts will be \$1 each after the first transcript is picked up. Please complete the blue form in her office to receive a transcript. Allow one week to pick up transcripts.
