

HAWKS Time 101

HAWKS:

- Honor
- Achievement
- Work Ethic
- Knowledge
- Service

A New Hawk is Born

Every Wednesday, Seneca students will have a modified six-period schedule to meet for HAWKS Time. HAWKS Time is an advisory program that will meet from 8:50 am-9:45 am.

Lessons will be grade -relevant, and students will be in advising groups with others at the same grade level.

Example of topics:

- **9th grade:** Transitioning to high school
- **10th grade:** Career exploration
- **11th grade:** ACT preparation
- **12th grade:** College financial aid

MISSION STATEMENT

The HAWKS advisory period of Seneca High School strives to maximize the post-secondary

success of each individual by offering relevant guidance and information as well as the opportunity to form genuine relationships.

VISION

All students will display the qualities of **H**onor, **A**chievement, **W**ork Ethic, **K**nowledge, and **S**uccess (HAWKS).

There will be quarterly updates to this Newsletter advising parents of the school's weekly topics for HAWKS.

If you have any questions or concerns about HAWKS, contact Brian Davis, College Access Resource Teacher, at 502-485-8323 or brian.davis@jefferson.kyschools.us.

HAWKS Time Goals

- Realize what High School is all about
- Create a positive and serious attitude about academics and learning
- Personalize each students experience at SHS
- Have students prepared for Post Secondary Life
- To be on their case and on their side
